To Whom It May Concern:

Please accept this letter of reference for Alliant Communications Inc. Besides being an excellent account relationship, they have been an important component in executing our strategic objectives. They installed a Shortel Voice over IP phone system in all three of our locations which has improved our communications immensely and provided us a platform for future growth. The installation process was handled in a quick and professional manner.

I would be happy to discuss the matter further and would highly recommend Alliant for your Communications and IT needs.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Newgard". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
